Progress to Exhibit at Cloud Expo Europe, the Largest Business Show in France Dedicated to the Cloud and New Technologies

November 12, 2019

Progress and Progress certified distributor NMS Distribution to demonstrate how Progress Ipswitch MOVEit provides secure and compliant transfer of sensitive data between partners, customers, users and systems

BEDFORD, Mass. and PARIS—Nov. 12, 2019 Progress (NASDAQ: PRGS), the leading provider of application development and digital experience technologies, today announced that it will be exhibiting at Cloud Expo Europe, the largest expo of cloud experts in France. The event takes place Nov. 27-28, 2019 at the Expo Porte de Versailles, Paris, France.

Cloud Expo Europe is an annual gathering of more than 6,000 industry leaders, visionaries and IT professionals to explore trends and technologies across hybrid and private cloud, artificial intelligence, the Internet of Things, blockchain, cyber security, big data and development operations.

Progress and its partner NMS Distribution will be featuring Progress® Ipswitch® MOVEit® managed file transfer software under the theme, "Make the Cloud World a Safer Place to Share Data" in Booth D34. Event attendees will have the opportunity to meet with Progress and NMS Distribution representatives and learn more about the latest technology and best practices for secure data sharing on premise or in the cloud.

Event: Cloud Expo Europe
Dates: Nov. 27-28, 2019
Topic: Make the Cloud World a Safer Place to Share Data
Progress and NMS Distribution Booth: D34
Venue: Expo Porte de Versailles, 1 Place de la Porte de Versailles, Paris, Fr

MOVEit secure managed file transfer software is used by thousands of organizations around the world to provide complete visibility and control over file transfer activities. It's designed to ensure the reliability of core business processes and the secure and compliant transfer of sensitive data between partners, customers, users and systems.
