For background information about Progress Software's financial performance, please refer to the most recent Quarterly Earnings announcement. This release and other information relevant to the investment community can be found at the following URL: <http://investors.progress.com/>.

About Progress Software Corporation: Progress Software Corporation (NASDAQ: PRGS) is a global software company that enables enterprises to be operationally responsive to changing conditions and customer interactions as they occur -- to capitalize on new opportunities, drive greater efficiencies and reduce risk. The company offers a comprehensive portfolio of best-in-class infrastructure software spanning event-driven visibility and real-time response, open integration, data access and integration, and application development and deployment -- all supporting on-premises and SaaS/Cloud deployments. Progress maximizes the benefits of operational responsiveness while minimizing IT complexity and total cost of ownership. Progress can be reached at [www.progress.com](http://www.progress.com) or +1-781-280-4000.

About Benchmark: Headquartered in NY with 11 offices across the country, The Benchmark Company, LLC ("Benchmark") is an institutional brokerage firm that provides Research, Sales, Trading and Investment Banking services to public companies and their investors. Benchmark provides comprehensive equity research coverage, and many of those companies will be presenting at the Conference.
