Progress Software Corporation Announces Fiscal 2010 First Quarter Earnings Conference Call

BEDFORD, Mass., Mar 03, 2010 (BUSINESS WIRE) -- Progress Software Corporation (NASDAQ: PRGS), a leading software provider that enables enterprises to be operationally responsive, will hold its quarterly conference call to discuss the company's 2010 fiscal first quarter, on Wednesday, March 24th, 2010 at 9:00 a.m. Eastern Daylight Time.

Beginning this quarter, in combination with its press release, Progress Software will provide in advance a copy of prepared remarks for its quarterly investor conference call. The press release and the prepared remarks will be made available after the market closes on Tuesday, March 23rd. This process and these remarks will be offered to provide shareholders and analysts additional time and detail for analyzing Progress Software's results. The conference call will include only brief comments followed by questions and answers. The prepared remarks will not be read on the call.

This conference call will also be webcast and accessible on the Progress Website at http://www.progress.com/investors. The conference call will be webcast live via Yahoo (http://www.yahoo.com), Motley Fool (http://www.fool.com), Streetevents (http://www.streetevents.com), TD Waterhouse (http://www.tdwaterhouse.com) and Fidelity.com (http://www.fidelity.com). An archived version of the conference call and supporting materials will be available on the Progress Software Investor Relations Website after the live conference call.

About Progress Software Corporation

Progress Software Corporation (NASDAQ: PRGS) is a global software company that enables enterprises to be operationally responsive to changing conditions and customer interactions as they occur - to capitalize on new opportunities, drive greater efficiencies and reduce risk. The company offers a comprehensive portfolio of best-in-class infrastructure software spanning event-driven visibility and real-time response, open integration, data access and integration, and application development and deployment - all supporting on-premises and SaaS/Cloud deployments. Progress maximizes the benefits of operational responsiveness while minimizing IT complexity and total cost of ownership. Progress can be reached at http://www.progress.com or +1-781-280-4000.
