- *When*: Tuesday, May 10, 2011; 9:00 AM - 3:00 PM ET
- *Where*: Grand Hyatt New York, 109 East 42nd Street, New York, NY 10017

Investors and financial analysts interested in attending should contact Tom Barth, vice president of Investor Relations, at tobarth@progress.com.

Progress Software Corporation
Progress Software Corporation (NASDAQ: PRGS) is a global software company that enables enterprises to be operationally responsive to changing conditions and customer interactions as they occur -- to capitalize on new opportunities, drive greater efficiencies and reduce risk. The company offers a comprehensive portfolio of best-in-class infrastructure software spanning event-driven visibility and real-time response, open integration, data access and integration, and application development and deployment -- all supporting on-premises and SaaS/Cloud deployments. Progress Software maximizes the benefits of operational responsiveness while minimizing IT complexity and total cost of ownership. Progress Software can be reached at www.progress.com or +1-781-280-4000.
