About Progress Software Corporation

Progress Software Corporation (NASDAQ: PRGS) is a global software company that enables enterprises to be operationally responsive to changing conditions and customer interactions as they occur -- to capitalize on new opportunities, drive greater efficiencies and reduce risk. The company offers a comprehensive portfolio of best-in-class infrastructure software spanning event-driven visibility and real-time response, open integration, data access and integration, and application development and deployment -- all supporting on-premises and SaaS/Cloud deployments. Progress Software maximizes the benefits of operational responsiveness while minimizing IT complexity and total cost of ownership. Progress Software can be reached at www.progress.com or +1 (781) 280-4000.

Progress is a registered trademark of Progress Software Corporation or one of its subsidiaries or affiliates in the U.S. and other countries. Any other trademarks or service marks contained herein are the property of their respective owners.
