Progress Software Corporation Announces Fiscal 2010 Second Quarter Earnings Conference Call

BEDFORD, MA, Jun 08, 2010 (MARKETWIRE via COMTEX News Network) -- Progress Software Corporation (NASDAQ: PRGS), a leading software provider that enables enterprises to be operationally responsive, will hold its quarterly conference call to discuss the company's 2010 fiscal second quarter, on Wednesday, June 23rd, 2010 at 9:00 a.m. Eastern Daylight Time.

As announced last quarter, in combination with its press release, Progress Software will provide a copy of prepared remarks for its quarterly investor conference call {the day before earnings, Tuesday, June 22nd at 5 p.m.}. This process and these remarks will be offered to provide shareholders and analysts additional time and detail for analyzing Progress Software's results. The conference call will include only brief comments followed by question and answers. The prepared remarks will not be read on the call.

This conference call will be webcast and accessible on the Progress Website at <http://investors.progress.com>. The call will also be webcast live via Yahoo (www.yahoo.com), Motley Fool (www.fool.com), Streetevents (www.streetevents.com), TD Waterhouse (www.tdwaterhouse.com) and Fidelity.com (www.fidelity.com). An archived version of the conference call and supporting materials will be available on the Progress Software Investor Relations Website after the live conference call.

About Progress Software Corporation [PRGS]:

Progress Software Corporation (NASDAQ: PRGS) is a global software company that enables enterprises to be operationally responsive to changing conditions and customer interactions as they occur -- to capitalize on new opportunities, drive greater efficiencies and reduce risk. The company offers a comprehensive portfolio of best-in-class infrastructure software spanning event-driven visibility and real-time response, open integration, data access and integration, and application development and deployment -- all supporting on-premises and SaaS/Cloud deployments. Progress maximizes the benefits of operational responsiveness while minimizing IT complexity and total cost of ownership. Progress can be reached at www.progress.com or +1-781-280-4000.
